INSTRUCTIONS

With either circular or double pointed size 8 needles, CO 70 stitches. Join in the round and be careful not to twist. Knit all rows until piece measures approx. 2 inches long. BO loosely and leave a long tail for sewing. Turn your work wrong side out so the knit side (wrong side) faces outward. Insert your elastic hair tie on the center of the work and using the long tail from binding off, seam the edges together with a whip stitch so the elastic is inside the scrunchie.

Additional Styles

- For a ribbed look CO 72 stitches and work ribbing in K2 P2.
- For a striped look use two different colors of yarn and switch colors every 3 rows.
